HARD SKILLS

PostgreSQL & SQL
Java
Python
HTML, CSS
C++
Git/GitHub
REST API

PERSONAL SKILLS

Problem Solving
Teamwork & Collaboration
Communication
Attention to Detail
Adaptability

PERSONAL PROFILE

Computer Science undergraduate at BINUS University with foundational experience in Java, Python, C++, SQL, and Git/GitHub. Interested in Software engineering and backend development, with hands on academic and personal project experience. Commited to continuous learning and challenging myself through projects that solve real world problems.

ACADEMIC PROJECTS

EXPENSE TRACKER API

Java 21, Spring Boot, Maven, PostgreSQL, JPA| In Progress

- Set up a spring boot backend project and configured a local PostgreSQL database for personal expense tracking app
- Leading a team of five mid-level designers
- Configured the application datasource and JPA settings, and planned to include expense CRUD operations, input validation.

SIGN LANGUAGE RECOGNITION WITH CNN

Python, CNN, TensorFlow, & Keras| Oct 2025 - Jan 2026

- Worked on an image - classification project using a Convolutional Nerual Network to recognize sign language hand gesture
- Developed and trained CNN model using TensorFlow and Keras
- Prepared and evaluated model performance and achieve ~97% validation accuracy with F1 score above 0.99 as a team member.

STUDENT PROFILE WEBSITE

TypeScript, JavaScript, CSS| September - present

- Built and published a personal portfolio website
- Used Vercel to manage and publish the project.

EXPERIENCE & ACTIVITES

LEX 2026 - COLLABORATIVE LEARNING EXPERIENCE

Collaboration involving Singapore Polytechnic & Yayasan KDM | October - September 2026

- Parcitipated in stakeholder-focused exploration and interviews related to the needs and how to improve staff during teaching of Yayasan KDM Bekasi
- Helped translate interview insights into needs statements to support problem definition and solution ideation as a group member

EDUCATION

BINUS UNIVERSITY @BANDUNG

Computer Science Undergraduate| 2024 - Present

SMAK SANTU PETRUS PONTIANAK

SMA MIPA | 2021 - 2024
